2nd Year Data

National trend toward 2nd-year initiatives
• 66% of institutions have or are developing (Keup, Gahagan, & Goodwin, 2010).
  – 2 key components include: Career Planning & Study Abroad

University of Minnesota-specific:
• Adopt common outcomes (Second Year Experience Working Group, 2012) —
  – Sense of purpose
  – Sense of community
  – Sense of self
• We historically lagged behind our peers in retention of 2nd to 3rd year students, and aim to continue upward momentum (Casper, J., Khoury, A. Lashbaugh, K. and Ruesch, A. 2011).

To what extent do you consider your study abroad experience was worthwhile for acquiring skill sets that influenced your career path?
To what extent do you consider your education abroad experience worthwhile for the enhancement of your ability to work on multicultural teams?
“If we have no separate identity, no clear sense of self, we cannot pull back from the messages we have absorbed from others in order to see which frames of reference belong to us as individuals and which have been absorbed without reflection”.

Kegan, 2000, p. 196
To what extent do you think your education abroad experience has had a lasting impact on your worldview?
