The University of Minnesota requires students to retain U.S. health insurance while abroad. While not a direct cost of learning abroad, students must plan and budget to continue their existing US health insurance coverage. Program fees are based on estimates and may change depending on international economic factors. The above estimated total expenses are used to help plan and prepare for the program, as well as calculate eligibility for financial aid. Not all students will incur all the expenses above. Student expenditures in-country depend greatly on personal spending habits, post- or during program travel, and available funds.
